

Curriculum Plan 2017-2018

Topics will change according to the children's and the staff's interests. The Foundation Stage topics are covered on a rolling programme. All topics across the school can be extended if the children's interest is fired and prolonged; other topics may be short. Science is taught in lessons across the year in KS2. Mathematics and English is taught in lessons and across the curriculum. All other subject outcomes that are not included in the topic are taught discreetly.

	Autumn	Spring	Summer
Time for Twos	Weekly themes based on the children's interests	Weekly themes based on the children's interests	Weekly themes based on the children's interests
Rising Threes in the Barn	Weekly themes based on the children's interests	Weekly themes based on the children's interests	Weekly themes based on the children's interests

Spiritual, Moral, Social and Cultural development is inextricably linked to our curriculum. We celebrate various faiths each year as a whole school. During 2017-18 it is as follows:

Autumn Term	Harvest, Diwali, Black History Month, Remembrance, Hanukkah, Christmas. We are also celebrating Roald Dahl's, Shakespeare's and Winnie the Pooh's anniversaries plus Poetry Day, Children In Need.
Spring Term	Chinese New Year, Holi and Easter. UNICEF's Free to be Me, Fair Trade, World Book Day and St. George's Day will be honoured. Red Nose Day.
Summer Term	Ramadan and Eid.
